Section No 177

Penalty for dead date trees

Mysore Malainadu Malainagachar and Dod Malainadu Hassan taluk

Summary of discussion A penalty of one rupee on every dead date tree is being levied from the toddy contractors Usually out of every 100 trees 10 to 15 die without being tapped and it is no wonder that many more trees should die after they are tapped Consequently the levy of penalty in addition to tree tax is really harassing to the contractor It is therefore prayed that the recovery of penalty on dead trees may be done away with

From the Excise Commr at Mysore 8/4/9/14
States that the present position is
Onerous enough and may be continued
any further relaxation being inadvisable
7 The provision regarding the levy of
fees is in existence from the time
the IL system was introduced
~~be considered~~ The original rule
did not contain any allowance
now in existence It
7 3/4 per cent ~~on the relaxation~~
was introduced arbitrarily in 1900
The Excise Commr considers that
no further relaxations desirable
8 In this connection it
may be mentioned that the
Madras rule on the subject
is more stringent the levy is
also of a larger amount and
there is no allowance of 3 PC
May the Excise Commr be
requested to state if it would be
really ~~necessary~~ hard if the Madras
rule is adopted or may an
order be passed stating that
there is no sufficient reason
to reconsider the present position
~~submitted~~ for orders

Sir,

Adverting to your letter No F1 280/S R 182-13 dated the 21st July 1914 inviting attention to Dasarah Representative Assembly Subject No.177 of 1913 have the honor to state that the existing provision about the levy of penalty on dead Date trees exercises a wholesome check upon the careless or the over tapping of trees and that if the levy of penalty is put a stop to not only is Government likely to lose some appreciable amount of revenue but there is also the likelihood of trees being killed by careless or over tapping

2. In these circumstances the present position which is generous enough might be continued any further relaxation in this direction would be quite inadvisable in my opinion

I have the honor to be

Sir,

Your most obedient servant

P. Raghavendra Rao
